THE SUN
PINEVILLE, KY

CAL MIRACLE TO BE ELECTROCUTED TODAY
Unless Governor Jas. B. McCreary interferes and commutes the death sentence to life imprisonment, which is not at all likely, Cal Miracle will b electrocuted in the death chair at the Eddyville penitentiary sometime between sunrise and sunset today (Friday) Aug 30, 1912.

The crime for which Miracle will give his life as a penalty was one of the worst in the criminal annals of this county. On a quiet Sunday afternoon in August of last year, he went to the home of Matthew Jones, on Goodin Branch, a neighbor, and without provocation shot him to death. His thirst for gore having not yet been satisfied, he then shot, in cold blood, a helpless woman- Mrs. Dulcie Partin, who met him in the road, after leaving Jones' home.

After killing these persons, Miracle went to his home, told his family what he had done, bid them good-by and left.

For several weeks after the crime it was believed that Miracle was hiding out in the mountains near his home, and his family was kept under surveilance, but no trace of him could be found.

Many beleived that he had made good his escape.

On Tuesday, November 28, a telegram was received by Sheriff VanBever from the Chief of Police of Birmingham, Ala., stating that he had Miracle under arrest. Doubt as to the right man being in custody was dispelled when later a message was received from J.L. Givens, formerly of Middlesboro, who knew Miracle, stating that the double murderer had been arrested. Later news brought the fact that Miracle, while in the depot at Birmingham buying a ticket for a point further south, was recognized by Givens, who secured his arrest.

Sheriff VanBever went to Birmingham and brought his prisoner to Pineville. Miracle was tried at the December term of court, which was in session, he having previously been indicted, for the murder of Mrs. Dulcie Partin, and the jury after being out a few minutes returned a verdict giving Miracles punishment as death.

Judge Davis set March 20, of this year, as the date of his execution, but granted a stay of 60 days to enable his attorneys to carry the case to the Court of Appeals, which was done. The higher Court affirmed the judgement of the lower court, and Governor McCreary named August 30 as the date of execution.

Miracle was taken to Eddyville immediately after sentence was passed on him in the local court and has been confined in the State prison since that time.

THE CASE OF CAL MIRACLE

It required but eight minutes for a Bell County jury to agree upon a death verdict for Cal Miracle, who murdered a man and a woman in that county last August. Except for the time necessarily required in writing the verdict the jury probably could have reported sooner. There was no occasion for extended deliberrations.

There has never been any known reason why Cal went down to Goodwin's Creek last August and murdered two people in cold blood. Whether the act was committed in a frenzy of rage or in a fit of "pertic'lar jollity" has not been ascertained. Cal's lawyer advanced the insanity plea in palliation of his client's conduct. That was the only ples which offered a semblance of hope, and it was discounted by the fact that Cal left the country immediately after the killing, and was a Birmingham, Ala., and still "going south" when arrested some ten days ago.

The Electric chair down at Eddyville should never grow cold so long as there are Cal Miracles left to warm it. There should be no place in modern civilization for miracles of that especial kind. The jury in Bell county is to be congratulated on it's prompt performance of it's duty. It is to be hoped that other jurors confronted with similar circumstances will do likewise.

Notes for DAVID FRANKLIN LEE:

Murder of Frank Lee
Frank Lee had come over from Va. to Cumberland,Ky. to spend some time with His sister Lovey Jane "Lee"Barker and family.
Frank was born in 1917, His uncle Edward Eugene"Gene"Barker was born September 7,1920 died June,1974.
In 1930 the year Frank was killed, He was 13 years old and Gene was 10 years old.

Frank was killed on Clover lick rd. Cumberland,Kentucky on Sam Foutchs land. Right down below where I live now.....
Gene and Frank had gone rabbit hunting that morning on Sam Foutch`s land.
Sam had a very evil wife Darky"Halcomb"Foutch. She told Her boys to take the gun and go and teach those trespassers a lesson. Her boys were Enoch Foutch,born September 4, 1913, died August,1955. He was 17 years old at the time of Franks death. The other was Ernest Foutch, born October 30,1922, died August ,1987. He was 8 years old at the time of Franks death.
My Uncle Gene told me they were at the top of a hill when they looked down in the bottom and saw a Black Ambulance. They walked right to the spot, expecting to see an ambulance. Instead was Enoch and Ern. Gene said Enoch shot Frank and Ern walked up and said I`I'll make sure He is dead and shot Him through the head. The spot where they saw the ambulance is where Frank was killed.

They then turned to Gene to shoot Him, but Will Kelly and another man(who I can`t remember)was walking down the road and heard the shots and ran to them. Will told me He beg them not to kill Gene, your in enough trouble already He said. Enoch got 10 years in penitentiary,maybe because He was the oldest. This is all recorded in Harlan Co. court house, and news papers.

To add some more to the story, Darky wanted to get rid of Her husband (Sam) because He did`didn't agree with what she told Her boys to do. She talked Her boys (not all of them) into building up a high brush pile. They were going to tie Sam up and put Him on top and set it a fire..One of the other boys heard them talking and told His Dad.

Sam was a very gentle man(I can remember Him).But this day He loaded Darky and boys up and took them to the New York section of Cumberland, to some of Darky's people,Then He divorced Her.

But their killing spree never stopped, Enoch in jail Ern went on to become the towns" little Mafia`s" hit man, Ran by Cenus Parrott, still alive to this day. Cenus had Ern kill many people, every one knew who was doing the killings(Ern), but Cenus always got him off.

The man never spent a day in jail. I prayed with Ern a month before He died. He told me who all He had killed. He was sorry for one person He had killed, Lydia Cross, He said He loved her. He beat Her to death with a crow bar, because she left Him.

Enoch Foutch`s boy Cecil rides to work with my husband every day,Cecil is gentle, but His brother killed His wife and killed His self.
I do`nt believe Enoch`s children knew the whole story. His wife who is alive today has tried to suppress the story, and I can`t blame her..
